DESCRIPTION

We are delighted to offer a unique and rare opportunity to purchase a gated 600sqm plot with two built properties within the Gibraltar Nature Reserve, Upper Rock. The plot consists of two separate properties, a large four bedroom country home and a separate two bedroom granny flat. Planning permission is being processed for an extension to the main property to include a private swimming pool and more.

As you approach the main house, you are welcomed with a gated front porch and sunbathing area. The home is comprised of a comfortable foyer, leading into a large kitchen with pantry and dining area and follows through to the large and homely living room with a fireplace. Original wooden beams decorate the ceilings throughout. As you continue through the property you will find a shower / bathroom, large walkthrough dressing room / hallway and four double bedrooms. The master bedroom has an ensuite bathroom and bath. Reverse cycle air-conditioning is installed throughout. Located within the grounds, behind the property, is a laundry room and shed.

The second property (granny flat) located behind, but not overlooking the main house is comprises two bedrooms. As you enter, you will find a comfortably sized living room with large floor to ceiling windows overlooking a private terrace and views of the Bay of Gibraltar. An open plan kitchen / dining area adjacent to the living room leads through to the first bedroom (which could also be used as a study room or office), a shower room and toilet and continues to the main bedroom. The main bedroom has spectacular views
